Dear Sir:-

I received your letter asking me why I have not complied with the Dominion Land Commission and stating that my claim is being contested.

Will say in reply: I have done all I can and am now doing all I can in my place. Last fall I built a corral and put up some hay, about 10 acres, on the place and ran a set of house loas on the place intending to put up a house this spring as soon as possible. I am a poor man and have to work for my living in the mean time.

I got a job plowing for other parties to earn money to fence my place and though it is some time on it by this time on the weather, so on the river, so on so bad that I have been delayed. I will be through with this plowing job about 2 weeks and then I intended to go right on my place. My family will be here from I leave about the 15th of next month and I must build my house so they will have a place to go into. Please write me immediately and say whether this explanation will do. I will fill out the blank and send me. Truly, James Edward Fraser.

DOMINION

LANDS.

INTERIM HOMESTEAD RECEIPT.

No. 936

LETHBRIDGE Agency.

ILL. LE 114 March 1895

I Certify that I have received from Charles B. Roman Agent
for Joseph Barrow of Farmington Nat.

the sum of TEN Dollars, being the office fee for Homestead Entry for S. E

Quarter of Section 6 Township 14 Range 5.

West of 101st Meridian, and that the said Joseph Barrow

is, in consequence of such entry and payment, vested with the rights conferred in such
cases by the provisions of "The Dominion Lands Act," respecting Homestead rights.

W. W. Nottingham

Local Agent.

Note. The conditions upon which this Entry is granted are printed on the back hereof

This receipt, unless the entry to which it refers be revoked or cancelled, entitles the homesteader to take, occupy, and cultivate the land entered for, to hold possession of the same to the exclusion of any other person or persons whomsoever, and to bring and maintain actions in law or equity against any wrong-doer or trespasser on the lands, as effectually as he could do under a patent of such land from the Crown, but not to sell any of the timber thereon to persons other than homesteaders.

In case of the death of the homesteader before the completion of his homestead duties, his legal representatives succeed to the homestead right, but they, or some of them, must complete the necessary duties, and in no case will a patent issue for a homestead unless the person applying is a British subject by birth or naturalization.

A homestead entry is liable to be cancelled at any time that the homesteader is found to be in default in the performance of his duties, or in case it is proved to the satisfaction of the Minister of the Interior that a settler has made any false statement in the affidavit in support of his application for entry.

Homestead duties may be performed in one of the following ways:

1. By residence on homestead for at least six months in each year, dating from time of perfecting entry by becoming an actual resident for three years and cultivation of the land to a reasonable extent.

2. By continuous residence for 12 months, after date of entry, 30 acres at least of cultivation, the erection of a habitable house, and payment for the land at current Government price per acre.

3. Residence for at least 6 months in each year, dating from the time of perfecting entry by becoming an actual resident for 3 years within a radius of two miles from the homestead; not less than 10 acres to be broken to be done on the homestead within the first year from date of entry; said 10 acres to be cropped the second year and 15 acres additional prepared for crop; 25 acres to be cropped the third year and 15 additional prepared for crop; a habitable house to be erected on the homestead before the expiration of the third year after entry and the homesteader to reside therein for three months at any time prior to date of application for patent and subsequent to the performance of the other duties herein specified.

4. By commencing cultivation of homestead within six months from date of entry (or if entry obtained after 1st of September cultivation to be commenced not later than 1st of June following) not less than 5 acres to be broken and prepared for crop within the first year from date of entry; said 5 acres to be cropped, not less than 10 acres additional to be broken and prepared for crop, and a habitable house to be erected on the land within the second year from date of entry; at the commencement of the third year after the date of his homestead entry the homesteader to *quiescere land prole* residence and to reside upon and cultivate the land for at least six months in each year of the three succeeding years.

5. If the land is an abandoned pre-emption, a habitable house must be built and residence therein commenced within six months from date of entry. After that, residence is required for at least six months in each year, dating from time of perfecting entry by becoming an actual resident, for the three years next succeeding, and permanent improvements must be made on the land to the aggregate value of at least \$1.50 an acre.

Six months is allowed in all cases for commencing the performance of duties, and where entry is obtained after 1st September in any year the time is extended until the 1st of June following.

Residence on homestead cannot be done by proxy.

Any special leave of absence that may be granted shall not count as residence.

At time of entry the homesteader is required to elect in what manner allowed by law he intends carrying a patent for his homestead, and he must faithfully fulfil the prescribed duties in such manner or forfeit his entry.

Any assignment or transfer, or agreement to assign or transfer a homestead right, or any part thereof, before the homesteader shall have received a certificate of recommendation for patent in proper form, is void, and operates not only to forfeit the entry but also to disqualify the person assigning or transferring from obtaining another entry.

Proof that a settler is entitled to a patent must be made before the Local Agent of Dominion Lands, a Homestead Inspector or an Intelligence Officer. Failure to apply for patent for homestead within a period of 5 years from date of entry renders right liable to forfeiture.

Agent Dominion Lands, Lethbridge

Dear Sir

In connection with my application for the S. E. 1/4 of 26-5-17 I will state that there is one shack partly built and about 3/4 of an acre of plowed ground on this quarter section. The shanty consists of the frame and roof, there is no sides, floor, doors or windows in the shack. The shanty is so near to the N. E. 1/4 of section 17 that I suppose it was in the 12. There was no one residing on this land or ever has been. The plowed ground is so small and in such a low place that I did not notice it when I made entry.

Yours truly

Henry P. Park.

Edmonton,

Sir:-

For the guidance of School Boards wishing to obtain the title to a school site on unpatented homestead lands, the following suggestions are offered:

The Board should make application to "The Secretary, Department of the Interior, Ottawa," describing the parcel they wish to acquire by Quarter-Section, Section, Township, Range and Meridian, and stating whether it is situated on a corner, and if so, on what corner of the Section or Quarter-Section, or if on one of the outer boundaries its distance along the boundary from the nearest Quarter-Section corner. The dimensions of the sides of the parcel must also be given. In the event of the Quarter-Section in which the parcel applied for is included being entered ^{for} as a homestead or pre-emption, or held as a purchased homestead, it will be necessary for the entrant to file in the Department of the Interior his written consent to the land which it is desired to secure being withdrawn from his entry for the purpose for which it is required.

I may say further that a patent fee of \$10.00 must be remitted to the Department of the Interior, and it is customary to limit the grant to two acres.

Sir,

Adverting to your letter of the 5th ultimo, enclosing a communication from Mr. Niels Peter Peterson, from which it would appear that he has agreed to give his consent to a portion of his homestead being conveyed for a school site, upon his receiving payment for the land affected, when his homestead patent is issued, I am directed to inform you that what is required in a case of this kind is that the homesteader should file here an unconditional consent to the land it is desired to secure being withdrawn from his entry.

In this connection, it should be noted that if a homesteader disposes of or agrees to dispose of any part of the land covered by his entry prior to the issue of letters patent, he forfeits his homestead under the provisions of Section 31 of the Dominion Lands Act, unless the Minister of the Interior otherwise declares.

I send you herewith official receipt No. 9940 for the \$10.00 patent fee remitted here by you.

The Registrar,
South Alberta Land Registration District,
Land Titles Office,
CALGARY, Alberta.

Dear Sir:-

Re: N.W. of 9-4-12-W.4th,
Soren Peter Sorenson.

We are advised by Mr. William Hewlett of the Department of Municipal Affairs, Edmonton, that a lien for \$25.00 appears registered against title to the above described land, in favour of the Dominion, as Instrument No. 8625 B.L.

According to our records this registration covers a lien for \$25.00 given by one, Peter Sorenson, in favour of the Department in 1914 on the specific security of the N.W. 20-5-17-W.4th and satisfactory evidence is on file to the effect that the licensee in this lien is not the Soren Peter Sorenson, present title-holder of the N.W. 9-4-12-W.4th.

As it would appear that this lien has become a charge against title to the said N.W. 9-4-12-W.4th, owing to the similarity of names, you are hereby authorized and requested to remove the encumbrance from title to the N.W. 9-4-12-W.4th.

Mr. Hewlett is being advised of the action taken by a copy of this letter.

Yours very truly,

T. H. Cory,

Acting Registrar of Lands.

1. To, upon application of the sum of one hundred and thirteen dollars and twenty-five cents (\$113.25) to the credit of the Dominion Advances more particularly described in the attached report, made to W. F. Foreman, the balance to be written off and the claim discharged.

BOARD ORDER
No. 10050

Mr. J.F. Judge,
Chairman,
Food Grain and Relief Adjustment Board,
Edmonton, Alberta.

September 4, 1947.

Dear Sir:

Re: Harold P. Larsson.
No. 2-4-12-4.
Food Grain Advances.

The above party obtained Food Grain Advances from the
Municipality in 1916, 1919 and 1920 in a total amount of two hundred
and ninety-five dollars and twenty cents (\$295.20), the total out-
standing including interest to March 31, 1947 being eight hundred and
thirty-two dollars and fifty-seven cents (\$832.57). As security liens
were given on the title to the above land.

The debtor moved from this locality and has not been heard
from for some years. The land was allowed to revert to the municipality
under the provisions of the tax recovery act and a sale has now been
effected for the sum of four hundred and seventy-five dollars (\$475.00)
which would appear to be a fair price for this parcel which is located
in one of the dry parts of the Province. The assessed value for
taxation purposes of this quarter is five hundred and ten dollars
(\$510.00) only. In addition to the amount owing under the Crown liens
taxes are charged against this property, the arrears to date of sale
amounting to two thousand, six hundred and twenty-two dollars and seventy-
seven cents (\$2,622.77). Distribution of the sale price on the usual
basis results in the following allocation of the monies realized by the
Municipality.

Cas.

Food Lien

As there is now no possibility of obtaining repayment from the
debtor and the land quoted above represents the only security for
these advances, I would recommend that after application of the sum
allocated to Crown Liens, the balance owing thereunder be written
off and the land discharged.

Yours very truly,

Re: Account of Peter Sorensen
N.E. 20-5-17-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1915 relief amounting to \$28.00 was advanced to Peter Sorensen on the security of the above mentioned land. A payment of \$1.17 was received in 1916 and applied to the interest. The present standing of this account is:

<u>Principal</u>	<u>Interest</u>	<u>Total</u>
\$ 28.00	\$ 49.79	\$ 77.79

Patent was issued in the name of Niels P. Peterson for the N.E. 20-5-17-W4 on the 19th of October 1910. In 1915 Peter Sorensen who was the renter of the land obtained an advance of relief on the security of the land. There is no record of the lien having ever been registered against the land.

The whereabouts of the original debtor is unknown and it is considered that there is no possibility of collection.

As the lien was never registered against the land and there is no further security for our advance, it is recommended that the indebtedness be cancelled.

I beg to acknowledge the receipt of your letter of the 1st instant, and in reply to say that your entry for the North East $\frac{1}{4}$ of section 22, township 51, range 13, west of the fourth Meridian was cancelled in the records here in May 1902, on the abandonment you executed. Lamerton, May 8th, 1902.

To the Deputy Minister of Interior.

Dear Sir,-

There seems to be some mistake in me entering for a second homestead. I entered for a homestead in Manitoba in the spring of '88, it was the only place that was left. It was just a sand hill, it would not grow anything only in a wet year. I could not make it pay. I stayed till I got my patent I traded the place for a bunch of sheep, then I took a notion to come to Alberta. I sold the sheep to a butcher by the name of Barter of Hartney, Manitoba. I took a lot of notes as security and they all turned out to be bad notes and I lost the whole thing. I left the notes with R.T. Crisp, Souris, for collection, but he never sent me one dollar and the notes are outlawed long ago and Barter had nothing in his name. He turned the sheep over to A.W. Law & Co. Bankers, and I could do nothing after spending all I had trying to get it. So I came to Alberta with my wife and 5 children and came away back here where no one lived, squatted down where I could get lots of hay, thinking my money would soon come, and I could

buy

buy a few cows and start ranching, but it never came and I had to do the best I could with two cows, 1 calf and one horse, is all I had. I had a hard time of it. I worked very hard to keep body and soul together. I bought a heifer once in a while and to-day I have 60 head of good cattle. Last spring I bought a grand Herford Bull, the Spotless of Ingelside the sweep stake bull at Winnipeg, for \$260. and this spring he died. I had the Vet. but could do nothing. It is a hard blow to me.

When the settlers began to come in around me, I thought I had better enter for the place I was living on, as I understood I could enter again in Alberta, so I went to Red Deer, where Jessop was Agent at that time. I don't remember whether he asked me the question or not about entering before, if he did, I did not understand him. I think he was pretty drunk at the time as he generally is, so I got my entry paper for the N.E. 1/4 S. 14, T. 42, R. 22. I have made it my home ever since. I have a good fence around the 1/4, good log house, good stables, and corralls, everything handy, but some of the stables happened to be on the adjoining 1/4. I have 15 acres in crop.- the rest of the place is not fit for farming, it being nearly all muskeg and sloughs. I have bought a quarter of C.P.R. land that I am going to cultivate. So now I have explained it all the best I could.

-3-

I will leave myself at your mercy whether you could be kind enough, or not, to grant me a patent.

I have been here 9 years the coming fall.

Yours truly,

(Sgd) John Wilcox,

Lamerton.

Dear Sir,-

I beg to acknowledge the receipt of your favour of the 14th instant, addressed to the ^{Deputy} Minister of the Interior, and in reply to say there is a mistake in connection with your second homestead, as you are not entitled to the right of a second entry. This matter is one that is fixed by Act of Parliament and the regulations relating to their entries entitling them to payment for their first homesteads on or before the 1st March, 1902, under the provisions of said Act, a second entry. It is, of course, not possible for your land in March, 1902, you could not possibly be within the Act. I regret, however, the fact that your first homestead was a poor one and that you have had a good deal of trouble in settling, and we would be disposed to grant the most liberal treatment that it is in our power to give any settler.

Yours

Mr. John Wilcox,

Lamerton A. S. T.

under the circumstances, namely,- allow you to purchase this quarter section at \$1.00 per acre. The usual terms are one quarter cash and the balance in three equal annual instalments with interest at five per cent. Under the peculiar circumstances of this case, it not convenient for you to make a request now, you could do so in the fall.

Trusting that this will be satisfactory,

In the Matter of an Application by John Henry Hains for Patent for the N.E. $\frac{1}{4}$ of Sec. 31 Township 1 Range 2 West of the 4th Meridian.

TO WIT:

I. John Henry Hains, Farmer

of the Village of Sainsborough in the Province of Saskatchewan

DO SOLEMNLY DECLARE: That I homesteaded the N.E. $\frac{1}{4}$ of Section 31 Township 1 Range 2 West of the 4th Meridian during the year 1901 and remained resident there for about a year and a half. At the expiration of that time a flood arose and washed all my buildings away. I then purchased the adjoining N.W. $\frac{1}{4}$ of the same Section during the year 1903 from one Isabelle Stavelle but owing to the minority of the said Isabelle Stavelle a legal assignment could not be made. To secure my ownership in the meantime I obtained from the Justice an acknowledgment of such ownership and an undertaking for the execution of a legal assignment on the coming of age of the said Isabelle Stavelle. The said Isabelle Stavelle attained her majority in the year 1905 and I then obtained the above said assignment which bears date the 8th of June 1905. During the year 1904 I took up permanent residence on the N.W. $\frac{1}{4}$ above mentioned and remained resident there down to the year 1905, during the homestead with this adjoining $\frac{1}{4}$ section and so completing the necessary residence making me a qualified person for the aforesaid homestead.

And I make this solemn Declaration conscientiously believing it to be true and knowing that it is of the same force and effect as if made under oath and by virtue of the Canada Evidence Act, 1893.

The Dominion Land Office,
Edmonton, Alberta.

Gentlemen:

As directed by you when in your office recently, I now write regarding an extension of time on my homestead, the N.W. 1/4 of Section 10, Township 56, Range 24 West of 4th Meridian.

I filed on this homestead in October, 1900, and at the same time bought an adjoining quarter of railroad land. The railroad land being practically clear, and the homestead covered with brush, I built my house and stables on the railroad quarter, and lived there for a year and a half. I left there on April 25th last for Chicago, being offered a good position here, and desiring to accumulate funds for the improvement of my farm. The only improvement work done on my homestead so far is some brush cutting. I have considerable fencing material on the ground, and fencing will begin as soon as the frost is sufficiently out of the ground. My place is in charge of my brother, Wm. P. McDonald, Bon Accord, Alberta. My railroad land being so much more open, all of my breaking was done on that quarter.

I now write to request leave of absence until September 1st, 1903, or if that cannot be allowed until May 1st, 1903.

Hoping for a favorable reply, I am

Yours truly,

Donald McDonald.

The Hon. Clifford Sifton

Minister of the Interior

Sir

I have the honour to request that I may receive authority for my brother Edmund Ketchum Parks now resident on north east $\frac{1}{4}$ section 30 Township 12, Range 2, west of 4th Meridian, to make entry on my behalf for south west $\frac{1}{4}$ section 35 Township 1, Range 13 N. of 4th Meridian if odd numbered sections are not open for homestead then north west $\frac{1}{4}$ section 36, Township 1, Range 13, west of 4th Meridian as a homestead.

I resigned my commission in the 8th Princess Canadian Militia in January '99 in order that I might join the 1st Battalion C.M.R. for service in South Africa.

When this Corp returned to Canada I was reinstated & seconded for service with the Imperial Military Railways and am still on service with them.

owing to these circumstances I am unable to make entry personally or put in my homestead return as required by actual residence but I am prepared to invest money in the improving and stocking the land.

P.S.

As I am not domiciled permanently in South Africa
and it is my intention to return & settle in Canada
therefore I desire to obtain two shares and money
in the ranching business in connection with my brother.
I may add we have already invested over \$1000 in
a good deal of hard work in the enterprise.

Dear Sir:-

re John Gray & Excelsior Life Ins.Co.

Referring to yours of a recent date relating to Lot 23 on the South side of Eighteenth Street, West of Fifth Avenue in the Town of McLeod, we enclose herewith a transfer of this Lot from the purchaser Mary Elizabeth Gray to John Gray dated 15th ult. together with an abstract as to the lot, a certificate as to decrees, orders or executions against Mary Elizabeth Gray and \$2.00 in payment of your fee for the registration of the assignment. Kindly register this assignment and advise us at your early convenience if the Patent for this lot will now issue to the assignee John Gray of the Town of McLeod in the District of Albert in the North West Territories of Canada, Contractor and Builder. In writing this letter we would ask you to refer to the transfer from the purchaser to John Gray by its date. You will find that under date of June 28th, 1901, you granted an extension of time until May 1st, 1902, and under letter of April 23rd, 1902, in answer to my letter making application to get further extension to comply with the Homestead Laws, you will find that you failed to grant me this extension, and as I wrote you at that time, both my mother and my wife were sick at the time and could not possibly leave. I just returned from a trip, and desirous of going there to make my home, I now beg you to grant me by a special request the right to make another filing, as well as my mother, Anna Johnson, and wish to say that on account of sickness as stated hereinbefore, that I did not comply with the first Homestead I had taken. I herewith attach you all the correspondence in this matter as well as my first filing papers, and kindly ask you to take up this matter at an early date and write me. I hope you will see your way clear to extend me the right to file on another Homestead.

Sir :-

In reply to your letter of the 10th ultimo, Ref. 700,561, I beg leave to say that the location of Half-Breed Scrip upon the S. E. 1/4 and the S. 1/2 of the N. E. 1/4 of Sec. 34 - 20 - 3 W 5th, should not have been allowed, but the error arose through the Township Register showing that entry had been made by one W. A. Byers in October 1896, and while it had been cancelled no note had been made to the effect that the entry had been recorded in error. Mr. Byers proper homestead being in Township 21 and not 20, the Assistant Agent noticing this entry inferred that subsequent entry of location would not be objected to, and accordingly granted the location.

Memorandum: Mr. Xorki-

On the 11th December, 1914, a grazing lease was granted to Mr. R.C. Robertson of Spring Point, Alberta, covering the North East quarter of Section 18, Township 9, Range 29, West of the 4th Meridian. After the lease was issued there was a claim filed for improvements from Mr. George Plowman the former tenant. The improvements were valued by Homestead Inspector Hugh Scott at \$120.00 and this amount has now been paid by Mr. Robertson. There does not appear to be any charge against Mr. Plowman for seed grain relief, etc. and I am not aware of any reason why the amount paid by Mr. Robertson should not be refunded to Mr. Plowman.

33. In the event of there being more than one applicant claiming the prior right of entry under the preceding section, the priority of their claims shall be determined by the priority of the dates of their respective entries in the Commissioner of residence in the case of squatters before survey.

34. To ensure due consideration being given to the rights of all persons claiming priority, the Agent shall receive all applications for entry coming under the preceding section, if requested to do so, but shall issue no certificate for entry for such land until the close of the office hours of the day on which the prior right of entry is considered, or until the morning of the following day;

Provided that if the Agent is advised by wire or otherwise on such day by a Sub-Agent or a local representative of the land affected, that an application for entry from a person claiming a prior right of entry for the land affected, and it is evident from the record that such person, by reason of the priority of date of his entry for or commencement of residence on the adjoining homestead, has a better claim than any of the other applicants appearing in person to the Agent, he shall hold the land until such application made before the Sub-Agent or local representative has been received.

Provided further that if on account of sickness or other satisfactory reason shown to the Agent, a settler who according to the record has a prior right of entry over all other applicants, cannot appear in person on such day, the Agent shall hold the land for such settler for a reasonable length of time, reporting immediately all the circumstances of the case to the Board.

Provided also that if the Agent is in doubt as to the priority of any applicant, he shall not grant entry on the land affected, but refer the matter to the Board for consideration.

35. Any land which, after having been posted in the manner hereinafore described, has not been first entered for by an adjoining settler on the first day on which such land became available for entry, or if it has not been reserved for any of the reasons above mentioned, it shall be open for entry on the following day to any settler eligible to make entry under these regulations.

DOMINION LANDS ADMINISTRATION
WESTERN SERVICE

Edmonton, Alberta, March 12th, 1925

Sir,-

Referring to your letter of the 4th ultimo - File No. 701035 - which I was authorized to post for leasing in the usual way - I regret that a portion of the land, 1/4 Sec. 9, Range 29, East of the 4th Meridian, by a notice dated February 1st last, - was withdrawn from the public - the land became available for application for grazing rights on and after February 23rd last. This land was previously leased under Lease No. 1149. Mr. Robert J. Robert, who holds this grazing lease made an application for a lease of the grazing rights.

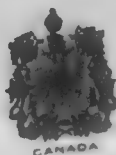

The Department has received a report from Mr. J. G. L. [unclear] that Mr. Robert was advised that it was not possible to grant a suitable lease of the land. I have referred the matter to Mr. [unclear] and Mr. [unclear] and they have advised me that they have no objection to the grant of a lease of the land. I have accordingly advised Mr. Robert that he may apply for a lease of the land on or after the 24th inst. I have also advised him that the grazing rights cannot be considered until I have been definitely advised by the Department regarding the disposition of this land.

It will be appreciated that I will gladly let a lease of the land at as early a date as possible.

W. J. Richardson

The Secretary,
Department of the Interior,

Where the applicant is unable to subscribe to the statements in paragraphs (a), (b) and (c) of this Declaration, he is not to be granted entry unless he produces special authority from the Soldier Settlement Board or the District Superintendent. Applicants who are unable to subscribe to paragraphs (a), (b) and (c) should therefore take their cases up with the District Superintendent of the Board, explaining on what grounds they are applying for special authority.

Sub-Section 2 of Section 15 of the Soldier Settlement Act, 1919, provides as follows:—

"Unless the Board shall, for special reasons, otherwise recommend, no such free grant shall be made to any settler who,—

- (a) has, pursuant to the provisions of this Act, purchased from the Board any land; or,
- (b) has, pursuant to the provisions of this or of the former Act, secured from the Board any advance of money for the clearing of encumbrances on, or the purchase of, or the improvement of, any land; or,
- (c) is owner of, or has a vested, possessory interest in agricultural land of such area as, in the opinion of the Board, constitutes an average farm for the district within which the land is situated, or which in the opinion of the Board, is of the value of five thousand dollars."

If the settler is unable to subscribe to the statements in paragraphs marked **a)**, **b)** and **(c)** of the Declaration, he is not to be granted entry unless specially recommended by the Board.

With respect to the information called for in paragraphs **d)** and **e)** of the Declaration, the Soldier Settlement Board considers that as a rule a farm of 320 acres may be considered an average farm for the western provinces for the purposes of section 15 of the Act. If, therefore, from the information furnished by the settler, it appears that he is owner of, or has vested, possessory interest in agricultural land of an area amounting to a half section (320 acres more or less) the settler's application is not to be entertained, unless he has been specially recommended for entry by the Board.

If the applicant is owner of, or has vested, possessory interest in agricultural land the value of which is \$5,000, he should be deemed disqualified unless he has been specially recommended by the Board. The present selling value of the land is to be accepted as its value for the purposes of the proviso.

For the purposes of Section 15 of the Act, land owned by the husband or wife of the applicant is deemed to be owned by the applicant.

Re NE $\frac{1}{4}$ 18 9 29 W. 4.

Sir.

In regard to the above Soldier's Grant,
as the land that had been in
cultivation was badly infested with
weeds & thistles it was necessary
to summer fallow it, this I did
in July of this year. Twenty five
acres. The land is fenced on three
sides, I own $\frac{3}{4}$ of a mile of it, the
value of same being \$70.00. On the east
side I have a three wire fence under
construction, the posts are set &
the wire is on the ground, but as

5077078

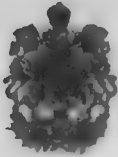

we have had ~~very~~ severe storms of snow and rain. I have been unable to finish it. I intended putting ten head of horses on it for the fall & winter, and will do so immediately the wire is up. I may say that if the grass had been good enough I would have had part of my cattle on this place the past year. The form which you sent me to be filled in I am forwarding now. If it is not properly filled in please forward me another with instructions as to how it should be done. I may also state that I pasture my cattle on my lease in the summer, and on my purchased land in the winter where my stables & sheds are. next year I intend growing feed & then running my cattle or horses in the fall and winter on the above.

4. Trusting this will meet the necessary requirements.

I beg to acknowledge the receipt of your declara-
tion on form No. 47 with regard to your compliance with the stock
regulations and in reply may say that a copy of it is being sent
to the Agent of Dominion Lands at Lethbridge for his information.

It is observed that you claim to have moved your
horses from your soldier grant in June last for summer pasture to
land which you held under lease. In this connection I would draw
your attention to the regulations under which all stock must be
kept on the soldier grant either for summer grazing or for winter
feeding. You are no doubt aware that you must keep a sufficient
number of stock on the soldier grant itself for either summer
grazing or winter feeding.

Sir:

H.R. 18-9-29 W.4th H.

I beg to acknowledge the receipt of your Statutory Declaration of the 6th instant on Form No. 47 and in reply to say that according to the information therein contained it is doubtful whether you are complying with the Regulations concerning stock in connection with your Soldier Grant entry for the above described quarter-section.

The records here show that on the 23rd of August, 1927, you were fully advised that it would be necessary for you to maintain the stock on the land held under entry, either for summer grazing or for winter feeding, and it is noted that you claim that the stock are being pastured part of the time on land leased by you, while they are being stabled on your purchased land.

At any rate when you apply for patent it will be necessary for you to file satisfactory evidence, which must be corroborated by two witnesses, that you have complied with the Regulations in every respect and responsibility in that direction rests entirely with you.

It is, therefore, desired that you communicate with the Agent of Dominion Lands at Lethbridge within thirty days from this date stating definitely what your intentions are in this matter.

Dear Sir,

Re. DYE. 18. 9. 29. W. 4

I am in receipt of a letter from
Ottawa re the above land.

In it they state that I do not seem
to be complying with the rules and
regulations concerning stock.

Well in the first year I summer fallowed
the broken land which was badly infested
with weeds, built the fences, and wintered
a bunch of work horses right on till
June, ^{of the next year.} Then when the crop (which I put in
the seco. year) started coming up I took
the horses off. When I got the crop secured
I put on a bunch of horses and cattle
taking them off again in June as I had
another crop of feed coming up. When
I got it off in September, I again
put a bunch of cattle on the place
where they remained untill after
Christmas. I then put eight or nine

work horses ^{on it} ~~work~~ until spring, and since, I have had found twenty five head of cattle all summer there. where I think they misunderstood me was, when I said in answer to the question as to where I kept my stock I ~~stated~~ partly on my grant and partly on my lease, what I meant was, that I kept part of my stock on my lease and part on my grant. If this is not complying with the regulations I would be greatly obliged to you if you can show me in what way I have failed to do so.

yours sincerely

G. Hutton.

(Office of the Chairman)

OTTAWA - FEB 19 1931

MEMORANDUM:

Request for Title under Order in Council of the 4th June, 1921, where duties completed by soldier settler.

Re: George Hutton,
N.E. 1/4 18-9-29 W.4th M. (S.G.)

The above-described land is the unpatented soldier grant of this settler.

Subsequent to the initial loan approved in his favour on the 13th August, 1919, the settler secured advances from the Board totalling \$6070.25, as follows: land, \$3600.00; permanent improvements, \$300.00; stock and equipment, \$2170.25. As security the Board holds a charge on the settler's soldier grant. The only other land security held by the Board in this case is title to the S 1/2 of S 1/2 16-9-29 W.4th M., which the settler is purchasing from the Board under agreement for sale, and a charge on the N.W. 1/4 20-9-29 W.4th M., the settler's homestead.

The Board is informed that the settler has completed the duties in connection with his soldier grant, and would be entitled to receive patent but for the Board's charge. This is confirmed by the letter from the Commissioner of Dominion Lands to the settler, dated the 10th September, 1930.

The regulations approved by the Governor in Council on the 4th June, 1921, P.C. 1821, enable the Minister, on completion of duties by the settler and on the request of the Board to vest the settler's right, title and interest in the unpatented Dominion land held by him in the Board, title remaining in the Board until the settler's indebtedness has been repaid. Such transfer of title also enables the settler to negotiate a sale of the land with the view to repaying the loan he has obtained from the Board.

The settler has requested that title to the land be issued to the Board. There is nothing on file to show that he contemplates discontinuing his farming enterprise. However, the settler desires to have title issued as aforesaid in order that it may be held by the Board as security for the advances granted, and in order to be in a position to negotiate a sale should he decide to do so at a future date.

Under the provisions of the regulations referred to, the Board hereby requests that the right, title and interest of His Majesty in the N.E. 1/4 18-9-29 W.4th M. be vested in the Soldier Settlement Board.

The Board has an effective charge on the land under the recent amendment to Section 26 of the Soldier Settlement Act, as \$15.37 of the advances referred to in the second paragraph hereof were made to the settler subsequent to the date of entry for his soldier grant.

A Vesting Order for signature is attached hereto.

The Deputy Minister,
Department of the Interior,
Ottawa.

Referring to your letter of the 3rd July last, which had it not been for great pressure of work would have been answered earlier, I beg leave to say that in accepting the location of part of an old Scrip note No. 0085 on the E. 1/2 of the N. If appears however that the assignee of the location is anxious to acquire the remainder of the quarter section, and under the circumstances, perhaps the Department might take into consideration, any application preferred by him to that effect.

I beg to inform you that evidence has been filed in this Department showing that the lien for \$76.50 given to His Majesty in the right of the Dominion of Canada by John Lewis of Haysan, Alta., against the Hkt 28-29-19-V.4th N. has been unlawfully registered in the Land Titles Office against the Hkt 4-14-27-V.4th N. standing in the name of John Lewis of Haysan, Alta.; that the said John Lewis of Haysan did not receive any advance of seed grain or other relief from the Dominion Government, and that the said lien should not cloud the title to the last mentioned land.

You are, therefore, hereby authorized and requested to remove the lien for \$76.50 registered in the Land Titles Office as No. 76418.0. from the North-east quarter of section 4, township 14, range 27, 4th Meridian.

P. G. Keyes, Esq.,
Secretary, Department of Interior,
Ottawa.

Dear Mr. Keyes:-

Two friends of mine who formerly resided in the County of Wellington named Charles Hope Aitken and John Aitken are now out in Alberta at a place called High River. They are anxious to take up land in the neighborhood or if it become necessary to purchase it out and out. The land which they desire to get is at present used as ranch land by a stock Association.

I understand it is to be thrown open for settlement almost immediately. The land is described as the West half of Section 24, Township 17, Range 29^W at a place called Caley, 10 miles South of High River. I cannot give you a description by meridians but you can doubtless locate it from this description.

These young men would like to get 100 acres each of this half Section. They are both practical, capable, well educated farmers and will put the land to the best advantage. Will you please advise me by return mail when this land will be thrown open, whether it will be homesteaded or sold by the Government and, generally, upon what terms? Whether we should make application, and if you have any forms for that purpose be good enough to forward same to me.

Your attention to this will greatly oblige.

Yours truly,

Hugh J. Macdonald

that sometime during March of 1904 I paid to C. G. Brown drove with me to Olds in my vehicle while in Olds C. G. Brown came to me in the Alberta Hotel & asked me if he C. G. Brown should give any more than \$200 to J. N. McLean the father of Alex. for the latter to abandon his home road, I told him he could not turn any part of it over.

On the 23rd April 1904 I drew a cheque on the Merchants Bank at Olds in favor of C. G. Brown for the sum of \$921⁰⁰ out of that amount there was the sum of \$500⁰⁰ for the difference between the N.E. 1/4 of 4 & the N.E. 1/4 of 3 which were to exchange, also \$50⁰⁰ for the 10 acres of trading that was in the S.W. 1/4 of 4. 32. 26 W₄ N₂ as the terms C. G. Brown obtained being that he was to pay for the balance of the \$921⁰⁰ was private business between ourselves.

In 1906 in the month of July or March I met C. G. Brown in Olds & in the presence of Rodd offered to C. G. Brown the sum of \$400⁰⁰ over & above what I had already given him, about 2 to 3 acres. He signed 2 notes one being a twelve month note for \$125⁰⁰ & one a 2 year note for \$125⁰⁰ these notes. I have never met owing to the fact that C. G. Brown would not receive the money, & he stated to me that he knew a little more now that it had been posted on the laws & that it was a possible agreement in my favor & made in 1904.

Since placed on the S.W. 1/4 of 4. 32. 26 W₄ N₂ the home land of C. G. Brown the following improvements, 15 acres of trading, together with the 10 acres of land for as land he obtained being value of 35 acres, \$100⁰⁰ & 1/2 mile opening value \$15⁰⁰ & 1/2 in that & road & \$50⁰⁰.

CALGARY, Alta., 30th Jan., 1908.

Sir:-

I have the honor to acknowledge the receipt of your letter dated 14th January, 1908, file No. 30,602, together with a copy of a statutory declaration of C.G. Brown made in your office.

I beg to state on the 27th inst., according to your instructions and those of Mr. R. E. A. Leech, Inspector of Dom. Land Agencies, I left Calgary for Olds, Alta., and hired a livery and drove to the homestead of C.G. Brown the South West quarter of Section 4, Township 32, Range 26, West of the 4th Meridian and made an inspection of the land and found Mr. Brown in residence on the South West quarter of Section 10, same township and range, and made an appointment with the latter to meet me at his nearest neighbor, Mr. D. Mauch, that evening. I then drove to the homestead of Mr. Alex Dundas where he resided on the South East quarter of Section 4, same township and range. I also arranged with Mr. Dundas to meet me at Mr. D. Mauch's place.

At 7 p.m. on the evening of the 27th inst. C.G. Brown and Alex. Dundas appeared at the appointed place and I, after a great deal of difficulty and cross questioning of the parties re their trafficking in the South West quarter of Section 4, Township 32, Range 26, West of the 4th Meridian, and the North East quarter of Section 3, same township and range, was enabled to

get from each of the said parties a statutory declaration, which I enclose herewith.

Enclosure.

Permit me to say to get at the seat of the trouble I, as aforesaid, had to question and cross question these parties very closely and after a considerable time I found that Alex. Dundas, the homesteader of the South East quarter of Section 4, Township 32, Range 26, West of the 4th Meridian, received his patent about a year ago and was very anxious four years ago to obtain the South West quarter, Township 32, Range 26, West of the 4th Meridian, to work in conjunction with his homestead the South East quarter of Section 4 and the South half of Section 3, his purchased land, and I do not believe there is any doubt but what Alex. Dundas was the prime mover in this trafficking business by getting C.G.Brown to endeavor to get the former homesteader E.H.McClain to abandon the land.

When asking the question "Did either of you pay or agree to pay any sum or consideration for E.H. McClain to abandon?" C.G.Brown stated that he did draw a cheque for Three Hundred and Fifty Dollars (\$350.00). This cheque dated 28th March, 1904 was made payable to Solomon Todd, Government Land Guide at Olds, with the instructions that he was to hold that amount until the homesteader E.H.McClain abandoned entry for same. The cheque I obtained from the

Merchant's Bank of Canada

Merchants Bank of Canada at Olds by consent of C.G. Brown. I herewith enclose for your perusal.

The agreement then between Alex. Dundas and C.G. Brown was that Alex. Dundas would pay the homesteader E.H. McClain about Three Hundred Dollars (\$300) but not having the money C.G. Brown said he had. Therefore C.G. Brown paid Three Hundred and Fifty Dollars (\$350) and later, on the 23rd April, 1904, the date which C.G. Brown obtained entry for the land in question, received from Alex. Dundas the sum of Four Hundred and Twenty One 50/100 Dollars (\$421.50), there being 10 acres of breaking valued at Thirty Dollars (\$30) on the land at the time C.G. Brown obtained entry. This Thirty Dollars (\$30) was included in the aforesaid sum of Four Hundred and Twenty One 50/100 Dollars (\$421.50) which Alex. Dundas was willing to pay for.

It would appear that as the South ~~East~~ quarter of Section 4, the homestead of Alex. Dundas, and his purchased land, the South half of Section 3, that by Alex. Dundas purchasing the North East quarter of Section 3, above mentioned township and range, the arrangement was that when C.G. Brown obtained a patent for the South West quarter of Section 4 Alex. Dundas would exchange the North East quarter of section 3 for C.G. Brown's homestead the South West quarter of Section 4. This exchange would give both parties land adjoining their own as C.G. Brown purchased the South West quarter of Section 10 in the same township and range.

The Agent D. L. Calgary 4.

I might say that I made various enquiries in the vicinity of the land in question as to the reliability and straightforwardness of the parties in question and found in each case that C.G. Brown was considered more honorable of the two. At the place I remained over night, D. Mauch, who lives within an equal distance very little over a quarter of a mile from Alex. Dundas and C.G. Brown, and Mr. Mauch stated when I asked him his opinion of the two men as to their character that he had business transactions with both and found C.G. Brown the more honorable of the two.

On the morning of the 28th inst. I left for Olds after making three inspections, which I will report under separate cover.

When in Olds I went to the office of Mr. Fred. Shackleton, Notary Public, and found that he had in his possession an agreement signed by C.G. Brown in favor of Alex. Dundas of Sunnyslope, Alta., whereby the South West quarter of Section 4, Township 32, Range 26, West of the 4th Meridian, was transferred. This document as you will see was not dated nor was it witnessed. This agreement I also enclose.

Mr. Shackleton had also two notes signed by Alex. Dundas in favor of C.G. Brown one dated 7th March, 1906, and payable 1st May, 1907 for the amount of ~~One Hundred and Twenty Five Dollars (\$125)~~ ^{One Hundred and Twenty Five Dollars (\$125)}, ~~and Fifty Dollars (\$50)~~, the other note dated 7th March 1906, and payable 1st May, 1908, for One Hundred and Twenty Five Dollars (\$125). As you will see the 1st note fell due on the 1st May, 1907, and was not paid for the reason that C.G. Brown having learned that he had no.

that he had no right whatever to receive any money or consideration for his homestead until he received a patent for same. During the summer of 1907 Alex. Dundas approached him and said that the first note was overdue and that the money was at the bank ready for him, to which C.G.Brown answered that he did not intend to receive the money as he knew the law now. I might say that I questioned Mr. Shackleton as to his knowledge of what was transpiring between Alex. Dundas and C.G.Brown at the time he was given the agreement and the two notes above mentioned, for safe keeping and he stated he knew nothing more than he was asked to hold them for safe keeping.

After considerable difficulty I located Solomon Todd, the Dominion Land Guide at Olds, and I asked him to give me all the information in his possession as to what he knew of the transaction between C. G. Brown and Alex. Dundas also what he knew as to the money which was paid over to E.H. McClain who had homestead entry for the South West quarter of Section 4, Township 32, Range 26, West of the 4th Meridian, prior to 23rd April, 1904. Solomon Todd admitted after quite a little talking that he received from C.G.Brown the sum of Three Hundred and Fifty Dollars (\$350) with instructions to hold same and pay over to T.N.McClain, the father of E.H. McClain, when the said E.H.McClain had abandoned his homestead entry and C.G.Brown obtained entry for it.

The Agent D.L.Calgary -6.

I, then asked Mr. Todd if he did not know that he was doing something strictly against the laws of the Department by being a party to the transaction. He answered that he did not know that he was doing anything wrong and when he received the appointment as land guide he never received any instructions.

I made various enquiries while in Olds and while in the vicinity of the land in question as to the whereabouts of the former homesteader, E.H. McClain, for the South West quarter of Section 4 also of his father, T.N. McClain. In answer to the former I might say that E.H. McClain after abandoning his homestead became insane and died in the asylum, and his father, T.N. McClain, had left the country, and I could not ascertain where he is now living.

As to the improvements on the South West quarter of Section 4, Township 32, Range 26, West of the 4th Meridian, I found 35 acres of breaking of which Alex. Dundas broke 25 acres and cropped the 25 acres in 1905 and in 1907 there were 10 acres broken on the land at the time C.G. Brown obtained entry; making in all 35 acres broken on the land, value One Hundred and Five Dollars (\$105.00), 1 1/2 miles of Fencing, value Seventy Five Dollars (\$75.00), and a Pole Shed with Corral value Fifty Dollars (\$50.00). These improvements were put on the land by Alex. Dundas. I found no improvements on the North East quarter of Section 3, Township 32, Range 26, West of the 4th Meridian, the land which Alex. Dundas was to exchange for ^{the South} ~~the North~~ West quarter of Section 4, Township 32, Range 26, West of the 4th Meridian, and further found out that Alex. Dundas had only made one payment on

land of C.G.Brown, on which land he was living and
has lived for the past 3 1/2 years or over, but only

ELIGIBILITY FOR SOLDIER GRANT ENTRY :

"Settler" means a person who at any time during the war has been therein engaged in active service in a military force:—

- (1) of Canada—and has served out of Canada; or, wherever he may have served in, by reason of disability incurred or aggravated as the result of such service in receipt of a pension; or,
- (2) of his Majesty or of any of His Majesty's Allies—and, being ordinarily resident in Canada when he enlisted in or otherwise became a member of such force, has served thereafter out of Canada, in a theatre of actual war; or,
- (3) of his Majesty or of any British Dominion or Colony—and has served out of the country wherein he enlisted or otherwise became a member of such force in a theatre of war; and has been otherwise than dishonourably discharged from such force or has been permitted to honourably resign or retire therefrom, or, without fault on his part, has been dispensed from further service therein; and the widow of any person who died on active service and who, but for his death, might be a settler as now defined, shall be capable of being a settler in her deceased husband's right.

Soldier entry on Dominion Land—under the provisions of these Regulations may be granted to any person certified to be a "Settler" by the Board, but unless the Board shall for special reasons otherwise recommend, no such free grant shall be made to any settler who,—

- (a) has pursuant to the provisions of the Soldier Settlement Act, 1919, purchased from the Board any land; or,
- (b) has pursuant to the provisions of the said Act or of the former Act, secured from the Board any advance of money for the clearing of encumbrances on, or the purchase of, or the improvement of, any land; or,
- (c) is owner of or has a vested possessory interest in agricultural land of such area as, in the opinion of the Board, constitutes an average farm for the district within which the land is situated, or which, in the opinion of the Board, is of the value of five thousand dollars.

Unless otherwise determined by the Board, every applicant for soldier entry shall be required to make a declaration in the form prescribed by the Board that he is not by reason of the foregoing provisions debarred from such entry. Where such declaration is subsequently found incorrect in any material particular the entry, if granted, shall be liable to cancellation.

Regulations relating to conflicting claims by adjoining settlers

Sections 33 to 35 of the Soldier Settlement Land Regulations, 1918, read as follows:—

CONFLICTING CLAIMS

33. In the event of there being more than one applicant claiming the prior right of entry under the preceding section, the priority of their claims shall be determined by the priority of the dates of their respective entries, or the commencement of residence in the case of squatters before survey.

34. To ensure due consideration being given to the rights of all persons claiming priority, the Agent shall receive all applications for entry offering under the preceding section, if requested to do so, but shall issue no certificate for entry for such land until the close of the office hours of the day on which the prior right of entry is considered; or until the evening of the following day.

Provided that if the Agent is advised by word or otherwise on such day by a Sub-Agent or a local representative of the Agent by him or by a representative for entry to a person claiming a prior right of entry for the land affected, and it is evident from the records that such person, by reason of the priority of date of his entry for or commencement of residence on the adjoining homestead has a better claim than any of the other applicants appearing in person to the Agent, shall hold the land until such application made before the Sub-Agent or local representative has been received;

Provided further that if on account of sickness or other satisfactory reason shown to the Agent, a settler who according to the records has a prior right of entry over all other applicants, is unable to appear in person on such day, the Agent may hold the land for such settler for a reasonable length of time, reporting immediately all the circumstances of the case to the Board.

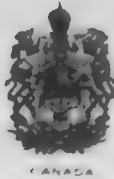

Provided also that if the Agent is in doubt as to the priority of any applicant, he shall not grant entry on the land affected, but refer the matter to the Board for consideration.

35. Any land which, after having been posted in the manner heretofore described, has not been first entered for by an adjoining settler on the first day on which such land became available for entry, or if it has not been reserved for any of the reasons above mentioned, it shall be open for entry on the following day to any settler eligible to make entry under these regulations.

RIGHT OF ENTRY IN AREA A RESTRICTED

By Section one of the Act 15 (1914) George V, Chapter 10, "An Act to amend The Dominion Lands Act," it is provided as follows:—

"Notwithstanding anything contained in this Act, no person shall be granted entry for lands situate within that part of the provinces of Saskatchewan and Alberta south of the south boundary of Township 16 in the Dominion Lands system of survey unless such person submits evidence satisfactory to the Minister of the Interior that he or she is in permanent residence and conducting farming operations upon a farm of not less than eighty acres distant not more than nine miles in a direct line from the parcel for which entry is desired, exclusive of the width of road allowances crossed in the measurement, or that such person is the father, mother, son, daughter, brother or sister of a settler in permanent residence and conducting farming operations as aforesaid."

Re H.B. letter of the 26th June last, file 701901. I beg to inform you that Charles Louis Marsh was on the 16th instant granted entry for the frac S 1-23-47-25-W-4-M.

On the 11th instant he was advised from this office that he need not pay for the 17 acres until he applied for his Patent. This ruling apparently only refers to River Lots. However Mr. Marsh did not come prepared to pay for the 17 acres and his note was taken for \$51.00 payable in three months and put on file here. He said he thought that in about a month he would have the money and would then pay for the 17 acres. Under these circumstances his application was taken and I trust will be allowed to go through.

Sir,

In reply to your letter of the 18th ultimo with respect to acquiring entries for the South half of 34, 48, 18, West 4th M., I am to say that the Department cannot reserve unsurveyed lands, but if you and your friend are in occupation and remain there, no doubt you can secure the entries when the land is placed on the market. I quote for your information the following clause No. 33 of the Dominion Lands Act as consolidated for office purposes. This is the only provision in the law which relates to squatters upon unsurveyed lands.

"Whenever the survey of any township has been finally confirmed and such township opened for homestead entry, any person who has bona fide settled and made improvements before such confirmed survey on land in such township, shall have a prior right to obtain homestead entry for the land so settled on, if such right is exercised within three months after the land is open for settlement, and if such land has not been reserved or the right to homestead entry is not excepted under the provisions of this Act:

2. "No homestead entry shall be granted to any other person in respect of such land until three months after notice in writing has been given by the local agent to such bona fide settler that such land is open for settlement. 48 V., c. 17, s. 28."

Your obedient servant,

Secretary.

The Hon.

Chief of

Minister of the Interior

Dear Sir

I made entry on a homestead
in 1891 I lived on it all, of my deed. But
as there was much timber on it and my family
being large I sold out and would like ^{now} to get
another homestead it would be a
family of 8 boys and the only way I can keep them
is to get more land. Can you give me the
information to my homestead land?

Yours truly

Sir,

I beg to acknowledge the receipt of your letter, undated, with regard to acquiring entries in Townships 14 and 15 in Range 22, East of the 4th Meridian, and making application on behalf of your brother, Mr. J. de Hardwick and Mr. Joseph H. Rogers for the S.E. 1/4 of Section 4-15-22, East 4th M., and the S.E. 1/4 of Section 4-15-22, East 4th M., respectively, and in repl. I am to inform you that the Agent of Lethbridge is being asked to let you know at once whether these quarter sections are available, and, if not, to assist you in every way in his power to secure suitable locations in the neighbourhood in question.

Enclosed herewith you will find the necessary authority to enable you to make entry on behalf of your brother and also of Mr. Rogers.

R. Douglas Hardwick, Esq.,

Little Bow River, via Lethbridge, Alta.

S. Mary's Cottage,
Litchfield,
May 20th 1902.

Dear Sir,

I am venturing to trouble you again on behalf of my son
J. de L. Burdett, who left for Canada by S.E. Puritan on Thursday last,
but not at all in reference to his mortgage money, which of course he
has paid and must be content to lose.

In returning to Canada he has realized a small reversion
(about \$400) under my late father's will, with the intention of settling
at least expending the funds "Long Goolie", on the little Bow River,
owned by his older brother, from whose letter, received by me on Monday
last, I will quote - "I wish to goodness Jack would hurry out so I
have not to end of trouble with intending settlers. A brother of
Burrer's has taken a place about three miles from here which will shorten
our range in that direction, and the little bottom which is between here
and there is in considerable danger. I have been obliged to give up
all hope of holding the coal bottom half way to Burrer's. A settler named
Burrer was here the other day looking at it, who has about 600 head,
not of his own, but what is much worse a kind of team herd belonging to
people in Litchfield - he even had the goal to vent to lands of the
mouth of the Goolie which would mean running us off the Creek, but
luckily I have between here and there fairly well secured, and on the
other side of the Goolie I had a few days before put up a tent which I
informed him was where my brother intended to build. Burrer's intention
is to "squat", that is put up a few cheap buildings and use the country
for all it's worth without buying any land. All the land between
Burrer's and Burrer's has been reserved by the Government for the S.E.
Montana R.R. Co. including homestead lands, and there is now a report
that they have sold to some American syndicate, so that it will be

impossible for Jack to homestead, unless he could get Lord Strathcona
to say a word for him in the right quarter. The following are the
Nos. of the locations - Coal mine either S E quarter 3 of river of Sec. 2
or S.E. quarter 3 of river Sec. 3. T. 22. 22 W of 4th Mer. or S E quarter
of Sec. 2. S of river runs T & R., or he might get quarter of water
right at mouth of Coollan, namely, N half E of river Sec. 32. T. 14. R. 22.
W of 4th Mer., or S half of Sec. 4. T. 15. R. 22. The best bottom is
any part of 24. T. 14. R. 22. "

My only excuse for troubling Lord Strathcona is that my son
served creditably with the Corps that bore his name, and is likely to
make a better settler for the country than a mere squatter. Naturally
my eldest son is anxious to get a good neighbourhood round him. My
youngest son who is now serving in S. Africa with the 2nd Canadian Mounted
Rifles may eventually wish to settle near his brothers.

With many apologies for troubling you with this lengthy
explanation,

I remain etc.

My dear Lord Strathcona.

I duly received your letter of the 30th ultimo, covering one from Mrs. Harwick, with regard to the desire of her son to acquire some land in the District of Athabasca, North West Territories, in the vicinity of his brother's rancho. In reply, I beg to state that I will be glad to have the matter referred to our Agent, with an intimation that if it is possible to meet the young man's wishes in this relation it should be done. Of course, I need not explain that if the land which he would like to acquire has passed from the control of the Department, or has been reserved for some particular purpose, or applied for by another person, it would not be possible to consider his request for permission to enter therefor. The Agent, however, will be in a position to advise Mr. Harwick fully in the matter.

E. Douglas Hardwick in letter of 26th June last, says that MR. F.T. Griffin, Land Commissioner, C.P.R., wrote him that the odd sections in Townships 14 and 15 R. 22 are controlled by C.P.R. and for sale by them.

Mr. Hardwick also stated in an earlier letter, undated, that the C.P.R. had written him that the odd-numbered sections, only, in both these Townships were controlled by them.

The selection by the Railway Company of lands in this reserve, for which the Department has been pressing, may be delayed, and, I think a letter might be written to Mr. Griffin for verification of statement made by Mr. E. Douglas Hardwick as to the Railway Company only claiming odd-numbered sections in these Townships. Upon receiving this from Mr. Griffin, the homesteads desired could be at once granted. Mr. Hardwick might be informed of the action being taken.

REPLY TO FILE NO. 900-11

Calgary, Alta., 15th August, 1907.

I beg to acknowledge the receipt of your letter of 14th ult. last, your file No. 700, 000, with reference to the claimant of the North half of Section 30, Township 14, Range 28, East of the 9th meridian, from the Stock Watering Reserves, and in reply beg to say that in my opinion this reserve is necessary in the interests of those raising stock, as it will be observed from the map ~~attached~~ that the Little Bow River runs through this section from north to south and thus affords water to the large number of cattle ranging along this valley. There are coulees which are tributary to this valley which afford excellent shelter to the stock in winter. The up-lands on both sides of the river is being farmed thus leaving a limited range for stock in this district.

I would recommend that the North half of section 30 be reserved, at least temporarily, as a stock watering reserve.

Albert Helmer

Sir:

Referring to yours of April 17th
File #702253, H.O., requesting an inspection of the
North half of Section 32, Township 14, Range 22,
West of the 4th Meridian, which land is a cancelled
stock-watering reserve, I wish to say that this land
is in what is known as a river flat. ✕ The North East
quarter is a large area of what is know as table-lands,
about 80 acres in all that could be ploughed. I would
recommmend that this quarter section be placed on the
list of lands fit for agricultural purposes.

The North West quarter of 32, Township 14, Range 22, is very rough and broken by river and river banks. There is not enough good land in this quarter to justify your Department in holding same for agricultural purposes.

of this land in order to secure school taxes. This land is worth \$7.00 per acre.

Mr. Scott,

(Bank Street Chambers)

With reference to your memorandum of the 9th instant, hereunder, I beg to advise you that the E $\frac{1}{2}$ of section 32, township 14, range 22, west of the 4th meridian, stands in our records as a cancelled stock watering reserve.

This land was inspected by an engineer of this branch on the 4th September last. A copy of the report was forwarded to Mr. Greenway on the 7th instant with the recommendation that the land be reserved in connection with the general question of providing a better water supply in Southern Alberta, but I have not yet been advised what action, if any, has been taken.

As you are aware, the Minister decides on the disposition of these reserves after reports are received from this branch and from the Timber and Grazing Lands Branch.

Memorandum: Mr. York:-

The south half of section 4, township 14, range 22 and the north half of section 32, township 14, range 22, west of the 4th meridian, are cancelled stock-watering reserves. In reporting on the south half of section 4, township 14, range 22, in June last our Inspector of Ranches stated that each quarter-section is unfit for agricultural purposes and unsuitable for homesteading under the stock clause of the Homestead Regulations, but that if a person had land adjoining, either quarter-section might be useful for a stock homestead, or the whole half-section would be suitable for a stock homestead, but in his opinion the land is more suitable for grazing than for anything else.

With regard to the north half of section 32, township 14, range 22, west of the 4th meridian, our Inspector of Ranches in November, 1917 stated that the north west quarter of this section is unsuitable for homesteading under the stock clause of the Homestead Regulations. In May 1917, with regard to the north east quarter of section 32, our Inspector of Ranches stated that there is a large area of this quarter-section of what is known as table lands, about 80 acres in all that could be ploughed, and he states that this quarter-section is fit for agricultural purposes.

With regard to the north half of section 32, township 14, range 22, and the south half of section 4, township 14, range 22, west of the 4th meridian, an engineer of the Reclamation Service reports that these lands are in a very dry district and that reservoirs could be constructed for water supply purposes by using dams on the river, and he recommended that the reservation be maintained as a stock-watering reserve. In forwarding this report Mr. Drake states that until such time as the question of constructing satisfactory dams can be fully gone into, these lands should be reserved in connection with the general question of providing a better water supply in Southern Alberta.

The following points are submitted for instructions, as in cases such as this the Minister decides as to the disposition of the lands:-

(1) Whether or not the south half of section 4, township 15, range 22, west of the 4th meridian, should be posted for leasing, transferred to the Soldier Settlement Board to be specially dealt with, or reserved in connection with the better water supply scheme. The Inspector of ranches reports that this half-section is more suitable for grazing than for any other purpose, that one quarter-section would be quite useless to any one except they held adjoining land, but that the half-section might be used as a stock homestead.

(2) Whether or not the north west quarter of section 32, township 14, range 22, west of the 4th meridian, should be posted for leasing, and the north east quarter of section 32 be transferred to the Soldier Settlement Board to be specially dealt with, or if both quarter-sections should be reserved in connection with the better water supply scheme. As above stated, the north east quarter of this section has been reported by our Ranch Inspector to be fit for agricultural purposes, while the north west quarter of the section has been reported to be unfit for agricultural purposes.

Sir,

Referring to your letter of the 24th ultimo, I beg to advise you that the South half of Section 5, Township 15, Range 22, West of the 4th Meridian, stands in the records of the Department as the patented homestead and pre-emption entries of Mr. E.D. Nixon and, consequently, this half-section is no longer under the control of this Department.

Regarding the North half of Section 32, Township 14, Range 22, West of the 4th Meridian, I may say that these lands have been removed from a list of cancelled stock watering reserves and also that the reservation for better water supply in connection therewith is no longer required. This half-section has today been referred to the Lands Branch of the Department for disposal and the Agent of Dominion Lands at Lethbridge will be notified in due course as to what disposition he is to make thereof.

You should, therefore, keep in communication with the Agent at Lethbridge in order that you may obtain accurate and up-to-date information as to when the lands will be available. In the meantime I enclose a copy of the present Grazing Regulations. If you decide to make application for a grazing lease the Agent mentioned would be pleased to furnish you with an application form for that purpose.

MEMORANDUM:-

2 FILES

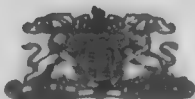

Referring to your memorandum dated 19th April on file 702253 herewith our records do not contain any information that would show definitely whether Little Bow river is fordable in the north half of section 32, township 14-22-4. J. F. Snow D.M.S. who subdivided the township in July 1883 reported that the bed of the river was from 40 to 100 feet wide and that at the time of survey the water was very shallow. From this it would appear likely that the river may be fordable at certain seasons.

File 1410588 is also herewith.

Memorandum:

Mr. Hume.

N. 32-14-22-W. 4th Mer.
Area "A".
.....

The reservations in connection with the cancelled stock watering reserves and better water supply have ~~not~~ been withdrawn from this half section and the lands have been referred to this Branch for disposition, and attention called to an enquiry received from Mr. David C.F. Scott of Carmangay, Alberta, as to whether these lands can be bought, homesteaded or leased.

As there apparently is an available water supply upon the half section it is very possible, if not suitable for homesteading under the agricultural conditions, it will very likely be suitable for homesteading under the stock clause.

I would in this regard call your attention to the only information on file that of Inspector Clowkey's furnished in 1917, in which he reports as follows:-

In Area "A" part for leasing and advise Mr. L.C.F. Scott and also let him know how he can apply to have N. 32-14-22-W. 4th Mer. made available for him, if he so desires, assuming land is still vacant when he applies.

"The North East quarter is a large area of what is known as table-lands, about 80 acres in all that could be ploughed. I would recommend that this quarter section be placed on the list of lands fit for agricultural purposes."

The North West quarter of 22, Township 14, Range 22, is very rough and broken by river and river banks. There is not enough good land in this quarter to justify your Department in holding same for agricultural purposes."

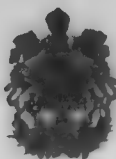

Kindly advise what action you may desire taken in regard to these two parcels.

Dear Sir:-

Enclosed please find a form supplied
by Old Age Security enquiring the age
of Kerylo Stromeckie (K. STROMECKI)

This man at the age of eighteen came
with his parents to Canada in 1899.

His Father Jakym or (Yakym) Stromeckie
has obtained homestead about that year
on S.W. 1/4 of 32-56-20 W 4th Meridian
and later this Kerylo Stromeckie took
homestead on N.E. 1/4 26-56-21 West 4th Mer.
this entry was cancelled in later years.
and he later took other land.

This man could not establish his
age as his memory is poor and all the
birth certificates were lost or destroyed.

In my belief as I know this man
for fifty two years his age should be 71 years

Sir,

I am directed to say that Messrs. McDougall & Secord of Edmonton have transmitted to this Department your letter of the 15th ultimo, in regard to certain information required in connection with patents applied for in the names of James L. Elam and yourself.

As you say that you desire these patents to be issued to you as co-partners, I am directed to ^{explain to} state you the difference between a grant to two persons as tenants-in-common and a grant to two persons as joint tenants. In the former case each of the two persons has an undivided half interest in the land until ~~they~~ convey it. By executing a transfer in their respective names they will convey the whole lot to the person named as transferor in the transfer. Each of them alone can convey an undivided half only of the land. If they do not convey and one of them dies his share becomes the property of his legal representative, who in the North West Territories is the executor to his last will and testament if he leave one, and the administrator of his estate if he die intestate. On the other hand, if the grant is made to such two persons as joint-tenants and not as tenants-in-common, while their estate can be transferred by them while both are alive in the same manner as an estate of tenancy-in-common would be conveyed, the survivor of the two becomes

becomes entitled to the whole land upon the death of the other, whose legal representative would have no claim to what was his share in the land during his life.

Sir,

I am directed to say that Messrs. McDougall & Secord of Edmonton have transmitted to this Department your letter of the 18th ultimo, in regard to certain information required in connection with patents applied for in the names of James L. Elam and yourself.

As you say that you desire these patents to be issued to you as co-partners, I am directed to ^{explain to} state to you the difference between a grant to two persons as tenants-in-common and a grant to two persons as joint tenants. In the former case each of the two persons has an undivided half interest in the land until ~~they~~ convey it. By executing a transfer in their respective names they will convey the whole lot to the person named as transferee in the transfer. Each of them alone can convey an undivided half only of the land. If they do not convey and one of them dies his share becomes the property of his legal representative, who in the North West Territories is the executor to his last will and testament if he leave one, and the administrator of his estate if he die intestate. On the other hand, if the grant is made to such two persons as joint-tenants and not as tenants-in-common, while their estate can be transferred by them while both are alive in the same manner as an estate of tenancy-in-common would be conveyed, the survivor of the two becomes

(G.P.)
Memorandum to the
Commissioner of Dominion Lands.

Mr. John M. Scott is applying to be allowed to purchase the fractional $3\frac{3}{4}$ of Section 28 - 40 - 21 W.4th. containing an area of 4.95 acres, which land is clear in the records here.

Mr. Scott's homestead is the N.W. $\frac{1}{4}$ of 28, the fractional S.W. $\frac{1}{4}$ being the homestead of one William W. Scott; and the fractional N.E. $\frac{1}{4}$ being the homestead of one Henry Cassett.

As Mr. John M. Scott has his homestead on the N.W. $\frac{1}{4}$ of this section, and the area applied for is so small, I see no objection to the sale being made, provided the land is clear in the Agency Records, at the current rate, and on payment of \$10 patent fee; but I may point out that Mr. Scott would not have access to the S.E. $\frac{1}{4}$ from his homestead, there being no road allowance. This he might of course overcome by arrangement with the homesteader on the S.W. $\frac{1}{4}$, as you will see by the rough sketch hereunder.

Sir,

Replying to your letter of the 27th May last, apply-
ing to purchase the fractional S.E. 1/4 28-40-21 W. 4th
R., containing 4.95 acres, I am directed to say that as you
held homestead entry for the N.W. 1/4 of this section, and
the area applied for is very small, the Agent of Dominion
Lands at Red Deer has been instructed that he may sell it
to you, provided it is clear in his records, at the regula-
tion price of \$3.00 per acre and on payment of the addition-
al patent fee of \$10.00. I may point out to you, however,
that you would not have access from your homestead to the
land to be purchased as there is no road allowance through
it, but probably you can arrange with the homesteader on
the S.W. 1/4 of the section to obtain access to the land.

T. G. KEYES.

Sir,

V In reply to your letter of the 26th ultimo, I am to inform you that owing to the very large and increasing demand for homestead lands, the Department finds it necessary to require settlers to comply promptly with their homestead duties, and, consequently, the request which you make for an extension of time for one year in connection with your homestead, the S.W.1/4 of 22 - 54 - 13, West 4, cannot be entertained. At the same time, the Department will not take any cancellation proceedings against the entry unless an application for inspection should be filed and in this event you will be given an opportunity of putting in a defence. Meantime, of course, you will have to keep the Agent at Edmonton, informed of your P.O. Address.

Your obedient servant,

Secretary.

Dear Sir,

File 836505. ✓

• 163029.

• 61113- Thomas Young.

If you will refer to head office letter under these files of Nov. 20th. to our firm, you will see that the Department for certain reasons gave Mr. Thomas Young the right to a second homestead of 80 acres and to purchase 80 acres more at \$3.00 an acre and intimated that upon his selecting the land required by him a patent would issue at once upon payment of the amount referred to. This man came to me at the time and said he was hard up and offered to sell out his right. After looking into the matter, I bought out his right and paid him a good price. Since then I have been endeavoring to find some suitable quarter section upon which to make Young's location, but I have been unable to find any quarter that was available and was valuable enough to recoup me of my investment. I have now learned that the S. W. 1/4 of section 10, Township 16, Range 27, W.4th. Meridian is a suitable quarter. One Josiah Ainlay obtained a homestead entry on this

quarter on the 29th. May, 1902, but has never yet gone into residence upon it. I understand there is a little fencing done on one side of it, but that is all. Ainlay is now said to be residing in Chicago. Owing to the lapse of time, I do not think he is entitled to much consideration and I would like to have his entry cancelled, so that I can apply for it on behalf of Mr. Young. I suppose the usual notice will have to be mailed to him giving him 60 days, but in the circumstances, I do not think that he is entitled to any extension. Nearly three years have elapsed and if he ever intended to do anything, he should have done it by this time. Kindly let me know if the entry can be cancelled.

Yours truly,

Chas. A. Stuart

Calgary, 31st May, 1902.

Dr. 47184.

Sir:-

I have the honour to enclose herewith a letter from Mr. T. S. C. Lee, of Calgary, dated the 28th instant, requesting that an application for patent for the N. W. 1/4 of 2 - 30 - 3, West of the 5th, by Mr. Horace Hickling, be considered by the Department; or, if the Department cannot see its way clear to issue a free patent, that Mr. Hickling be granted permission to purchase the land at the rate of \$1.00 per acre.

I would point out that the application of Mr. William Brealey, as legal Representative of the late Alfred Brealey, for homestead patent for the S. E. 1/4 of 2 - 30 - 3, West of the 5th, upon which it is stated Mr. Horace Hickling has put in his residence, only received the Commissioner's approval on the 8th March, 1901; so that Mr. Hickling could not have become the owner until some time after this date.

Mrs. Hickling was ill in the hospital here for some time, and is now in British Columbia, this altitude not suiting her, so that Mr. Hickling is anxious to sell out here as soon as possible and take up his residence there.

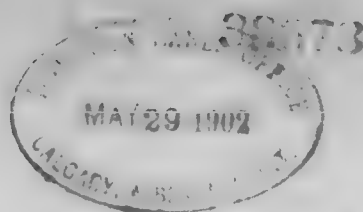

I am, Sir,
Your obedient servant.

703067

CALGARY, ALTA., May 28th, 1902

To the Agent for Dominion Lands,
Calgary.

Sir,

On the 5th October 1900 Horace Hickling made entry for a homestead on the N. W. 1/4 of Section 2. 30. 3 W 5. He has been residing on the S. E. 1/4 of the same Section since June 1894, and he has owned the last named 1/4 Section since the year 1897, previously to which date it was owned by his brother-in-law. Mr. Hickling has improvements on the said S. E. 1/4 consisting of a residence, stabling, corralls, sheds, etc, worth upwards of \$4000. He has made this 1/4 Section the headquarters for his stock, which in each of the last five years have amounted to between 300 and 400 head.

Owing to the illness of his wife, whose physician has ordered her to reside in a lower elevation, Mr. Hickling is under the necessity of disposing of his interests in this place on very short notice much against his inclinations and at considerable sacrifice to himself. In order to effect a sale on as advantageous terms as possible, and at the same time to protect the improvements which he has made on the N. W. 1/4 consisting of a fence all round the land he desires to obtain a patent for the said 1/4 section. I beg therefore to apply on his behalf

CALGARY, ALTA.

MAY 29 1902

that under the circumstances as stated above a free patent be issued for the said N. W. 1/4. In this connection my client's time of residence on the S. E. 1/4 may be taken into consideration. If the Department, however, cannot see their way to grant a free patent for the N. W. 1/4 I beg to apply that permission be granted to my client to purchase the said 1/4 at the minimum price at which Government lands are sold, namely \$1.00 per acre, in view of the circumstance that 20 months of the 36 months after which a free title would issue have already elapsed.

As Mr. Hickling has already been compelled to send his wife to the Pacific Coast where he desires to join her as soon as possible, and as he must dispose of his interests here before leaving, I shall be obliged if you will be good enough to ask the Department to favor me with a reply to the above application at the earliest possible date.

PATENT BRANCH

Sir,

(e)
Re application by Mr. Horace Hickling to acquire
immediate title to his homestead, the N.W. 1/4
of 2 - 30 - 5, west of the 5th.

Mr. T. S. J. Lee, who make application as agent for
Mr. Hickling, has sent me a copy of his letter addressed to
the Agent of Dominion Lands at this point, requesting me to
be good enough to use any influence I may have in to ensure a
favourable consideration of the matter.

I would desire to say that I believe the facts as
stated by Mr. Lee in the communication alluded to are correct
in every particular, and while it may be true that Mr. Hickling
did not legally own the S.E. 1/4 of the same section till recently,
he was in possession and assumed ^{with his wife and family} ownership of it
since the date mentioned, viz, June 1894. His wife was the
sister of the original homesteader who died before he completed
his title to the said S.E. 1/4; she lived with him and though
probably not having any direct interest in the land, she had
an interest in the stock and also in the improvements on it.

I believe that Mr. Hickling is very adverse to dis-
posing of this claim but owing to the illness of his wife, as
stated by Mr. Lee, is compelled to leave that section of the
country.

Though probably there would be no grounds for granting
a free patent, it is submitted there are reasonable ones for
selling the land to him at the minimum price prescribed by the
Dominion Lands Act, viz, \$ 1.00 per acre.

I am sending a copy of this letter to the Agent of
Dominion Land, Calgary.

Sir, Owing to sickness in my family, my son and myself desire an extension of time to go on our homesteads the S.E. and S.W. 1/4 of Sec 18-51-13-W-4m, namely six months.

We are living at Strathcona, my wife is just getting around and my children have had scarlet fever and I have to earn some money now to get a start again. It cost me \$200.00 for Doctor's Bill and I would be very grateful for this extension of time.

Sir,

An application was made some time ago by Mr. Otto Dersch, of Griswold, North Dak., U.S.A., for a lease for grazing purposes of Section 29, Township 10, Range 27 West of the Fourth Principal Meridian, and, no protests having been filed in the Department against the issue of a lease for this land, he was in due course advised that, upon payment of the rental for one year, a lease would be issued in his favour.

He now writes to say that, on investigating, he finds that the land applied for by him has been fenced for nearly two years, and is now occupied by two different persons, and, under the circumstances, he withdraws his application.

In regard to this, I am to instruct you to have the Homestead Inspector visit and report upon the section at his earliest convenience, and warn any person or persons in illegal occupation of this section that they are doing so in defiance of the law, and are liable to action for trespass, reporting fully to the Department in the matter.

Memorandum:

Ottawa, 26th January, 1903.

One Otto Dersch applied to lease Section 29, Township 10, Range 27 West of the Fourth Principal Meridian, but subsequently withdrew his application as he said that he found two other persons were in occupation of the land. The Agent was then instructed to have the Homestead Inspector visit this land, warning any persons that he found in occupation to leave the land at once, as otherwise they would be liable to prosecution for trespass.

The Agent now forwards the report of Inspector W. W. Stewart. He states that he has not visited the lands lately, but was there about a year ago, and from what he then saw and has since learned, the persons in occupation of this section were James Daly and Clarence Hueston, each of whom had a portion of the section fenced in, and Daly ^{had} ~~had~~ a portion under crop for several years.

He adds that Mr. Nixon, the Sub-Agent of Dominion Lands at Macleod, undertook to see these men on their first visit to Macleod, and ^{inform them} ~~state~~ that if they came to an agreement about the division of the section the Department would probably entertain an application to lease it to them, but otherwise they would have to remove their fences and cease to occupy the land.

I would suggest that the Sub-Agent, at Macleod, be instructed to notify these persons that their applications for a grazing lease of this section will be considered upon their filing

filing here their statutory declarations as to the number of stock they would have thereon, and also on payment of the rental at the rate of fifty cents per acre per annum for the land under cultivation for the number of years they have used it, otherwise they will be obliged to vacate the land.

Should they agree to this, Mr. Stewart might be instructed when he is next in the vicinity to visit the section, and verify any statements they may make as to the area broken, etc.

Sir,

With reference to your letter of the 29th of December last to the Agent of Dominion Lands, Calgary, in regard to the illegal occupation of Section 29, Township 10, Range 27 West of the Fourth Principal Meridian, by Messrs Daley and Hueston, I beg to say that Mr. Nixon, Sub-Agent of Dominion Lands at Macleod, has been instructed to communicate with these persons and to warn them that they are in illegal occupation of the land, and are therefore liable to action for trespass, at the same time informing them that if they wish to lease this land for grazing purposes and will agree to a division of the land between them their application will be considered, but they must first file in the Department a statutory declaration showing the area now broken by each of them on this section, with the date on which the breaking was first made and the area cultivated in each year.

He was also advised that they must remit with the declaration the rental at the rate of fifty cents per acre of the area broken for each year during which the land was under cultivation, failing which they would be obliged to vacate the land.

On your next visit to Macleod it would be well to see Mr. Nixon and ascertain from him what has been done in the matter.

Sir,

I am directed to say that information has reached the Department that one James Daley and one Clarence Houston are in illegal occupation of Section 20, Township 10, Range 27 West of the Fourth Principal Meridian, or a portion thereof.

I am now to request that you will see these persons and warn them that they are in illegal occupation of this land, and are liable to action for trespass. If, however, they wish to lease the section or a portion of it for grazing purposes, and will agree to a division of the land between them, their application will receive consideration, but they must first file here a statutory declaration showing the area of land cultivated by them, as it is understood they have had a portion of the section under crop, and showing also the date on which the cultivation was first made and the area cultivated each year.

They must also remit with their declaration the rental at the rate of fifty cents per acre for the area they have had under cultivation each year, failing which they will be obliged to vacate the land at once.

Hon. Minister of the Interior
Ottawa Ont.,

Dear Sir:

On the 21st of February last I drafted a declaration for Mr. James Daily with reference to his occupation of a portion of section 29--10-27 West of 4th. This declaration was ^{the} result of a letter from this department to Joseph Nixon Esq., The Sub-agent of Macleod, Dated Feb. 2nd 1903. Number 703078. The declaration ~~is~~ speaks for itself, and I presume you have received it before this, as it was sent with the land agents report some time ago. I trust that under the circumstances of this somewhat peculiar case, the department will be able to comply with Mr. Daily's desire to purchase this section. Will you be good enough to let me hear from you with regard to your disposition of the matter, at your earliest convenience, and oblige.

Yours truly,

In compliance with your instructions, Mr. Nixon, Sub-tenant of Dominion Lands, Quebec, was instructed to see Messrs. Daly and Weston in regard to the alleged illegal occupation by them of Section 42 - 16 - 27 West of the 4th Meridian, and ascertain all particulars and report to the Department.

He now forwards his report and a declaration
affirming the truth of the facts in connection with his
detention in this land.

It appears from Mr. Lathrop's statement that he
intended to place improvements on the station in 1901
and to use the same for many years since that time for carrying
the mail and building shops for coaches and other in-
struments of the road to the extent of fifteen or twenty
years. He stated that at the time he was in the employ of
the railroad he was in charge of the station and that he
had the station and the building and the other improvements
built, the fence, inclosure of lines, and the other.
Thompson, then assistant inspector, was in the station,
and he promised the first opportunity of placing it
in the place of the old one and in the event of
not being able to effect the purchase, that he would
be paid for the improvements.

Mr. Lally now asks for the privilege of reading.

Section and that in the meantime he be allowed to lease it for grazing purposes.

Mr. Nixon states that he found on the land the following improvements:- Four miles of fencing, one large cattle shed, one corral and also about twenty acres of the North half which have been under cultivation for several years now planted with grass seed.

It will of course be impossible to grant Mr. Nixon the title of the land as he asks but there is still, I presume, no objection to his being allowed a grazing lease for the same, provided he files here a statutory declaration within the next 3 years he has cultivated this land and forward at the same time the receipt at the rate of fifty cents per acre for each year. If you approve, I will advise him accordingly.

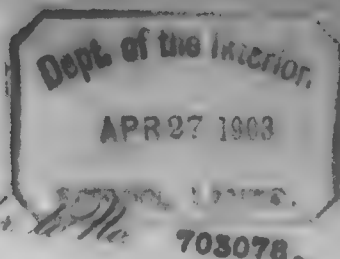

Mr. Nixon has also with him a check for amount for of for living in connection with his inspection of this land and also a personal account for this inspection. As I understand that the field agents are paid entirely out of pocket, I presume it would only be fair that these accounts should be paid, if so, will you kindly approve them.

It was also reported that Mr. Suchman has been given some money by the Bureau for the purpose of being paid for his services in going to pay a visit to the land he was asked to inspect. It was also reported that he was asked to pay for the travel expenses of the agent who was to accompany him on his trip.

Sir,

[Handwritten signature]
Referring to your letter of the 18th ultimo with respect to the occupation by Mr. James Daly of a portion of Section 29, Township 10, Range 27 West of the 4th Meridian, I beg to say that a report has been received from Mr. J. Nixon, Sub-Agent of Dominion Lands, Macleod, in regard to Mr. Daly's occupation of this land and it has been decided that if Mr. Daly will rent here rental at the rate of fifty cents per acre per annum for the portion of the Section cultivated by him for the period he has used it, the Department will consider his application for a lease for grazing purposes of the Section.

[Handwritten initials]
I may say that the rental in such case would be four cents per acre per annum and the term of the lease five years. It would, however, be revocable at any time during its currency on three months notice being given Mr. Daly, who would be allowed to remove his fencing on the termination of the lease.

It will be quite impossible to grant Mr. Daly the privilege of purchasing this land by private sale, as the Dominion Lands Act expressly provides that School Lands shall be disposed of by sale at public auction only and leaves the Department no option in the matter.

If Mr. Daly desires to lease this Section for grazing purposes, he must state the number and kind of

stock

stock he would place on the land in the event of his obtaining a lease of it. Should this be satisfactory, the usual notice of application would then be put up in the Post Office nearest the land for a period of thirty days in order to afford the public a chance of entering any protests against the issue of the lease, if they wish to do so.

Sir,-

Re James Daley,

I am in receipt of your letter of the 5th instant stating that if Mr. Daley wishes to lease section 20 - 10 - 27 W. 4th N. he should at once state the number and kind of stock he intends to graze on the land, etc.

A copy of your letter of the 3rd ult., was forwarded to Mr Daley and I may say, that, your request as to application for lease and statement and number and kind of stock to be placed on it was complied with by Mr Daley on May 15th. Mr J. Nixon, the sub-agent of Dominion lands at Macleod mailed to A. J. Fraser, the Land Agent at Lethbridge, the application for the lease and the statement required by you, so that if you have not received it, the fault must lie with the Agent at Lethbridge, to whom it was sent as before stated.

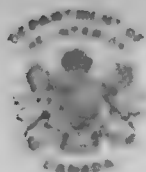

I am writing to the land agent at Lethbridge to-day calling his attention to this matter and requesting him to forward this application at once to you.

As soon as Mr Daley's application for the grazing lease is granted, he will remit to you the sum of \$25.60 as requested. Will you kindly take the necessary steps to have his application posted in accordance with your regulations and advise as to result at your early opportunity.

Yours truly

Gentlemen,

The Agent of Dominion Lands, Lethbridge,
has reported ^{the} payment by you on the 9th ultimo of the sum
of \$25.00 on behalf of Mr. James Daly as rental for one
year for grazing purposes of Section 20, Township 19,
Range 27 East of the Fourth Meridian, and in regard to this
I am to point out that the sum of \$25.00 was forwarded here
by you with your letter of the 28th of September last as
rental for the first year for the land in question and a
receipt was issued therefor in favour of J. C. Daly and
forwarded to your address with the lease in duplicate in
Mr. Daly's favour. The lease was subsequently returned
fully signed and was completed and forwarded to the Agent
at Lethbridge on the 4th of October last to be noted in
the records of his office and then sent on to Mr. Daly.
The payment, therefore, by you of the sum of \$25.00 ^{on} the
9th ultimo appears to be an oversight, unless it is intended
as the payment for the second year. If Mr. Daly wishes
a refund of this amount and you will advise the Department
to that effect, a cheque will be issued accordingly.

Memorandum.

Mr. James Delorme located his Half-breed scrip on the N. W. $\frac{1}{4}$ of 34--54--14, W. 4th, and assigned the land to Messrs. McDougall & Secord, who now state that this location was made by Delorme in error, as a Mr. Fontaine is living on the quarter-section in question and has improvements on the same. They have, therefore, cancelled their application for the issue of patent for this land, and ask that they be permitted, under the circumstances, to locate another quarter-section without the personal attendance at the Land Office of the grantee of the scrip.

Gentlemen,

Referring to your letter of the 15th ultimo
respecting the transfer to you by James Delorme of the NW 34-
54-14 W. 4th M., on which I was found that a Mr. Fontaine
was living. I am directed to say that as this was a case
where the ~~Half-breed~~ located the land without it having been
ascertained that it was unoccupied it will be necessary
for the ~~Half-breed~~ to appear again in person to locate 160
acres in lieu of the above quarter section and the surrender
of this letter to the Agent will be his authority for
permitting James Delorme to locate another 160 acres in lieu
of the NW 34-54-14 W. 4th M.

A patent is in course of preparation for the E 1/2
of the NW 1/4 of the above mentioned section and when another
location has been made an assignment thereof will be required
before patent can be issued.
